

Atelier

Luigi Bormioli
ITALY

Atelier by Luigi Bormioli is a distinctive crystal stemware collection, crafted in Italy and celebrated for its angular bowls and elegantly pulled fine stems. Each piece is made with SON.hyx crystal technology, ensuring remarkable clarity and durability—delivering strength without compromising on sophistication.

The range includes not only stemware but also a coordinating tumbler and a stylishly contoured carafe, available in four versatile sizes. A subtle curve in the bowl enhances shock resistance while discreetly marking the ideal pour level—blending form, function, and Italian artistry.

- Transparency & sparkling clarity of Son.hyx crystal
- Ultra-thin laser cut rim
- Super light & balanced to hold
- Reinforced stems
- Highly technical crystal provides superior strength
- Dish Washer Safe

Supremo

Luigi Bormioli
ITALY

Ultra fine and lightweight crystal glass; new production developments combined with titanium reinforced stems and SON.hyx® technology ensure that superior strength is maintained. The bowl shapes are innovative and elegant and have unique sensorial perceptions: emphasizing the wine's aromas during their development in the bowl while lessening the alcoholic element.
