

Coast and Country

PLAYGROUND

A stoneware collection in a stunning matt black glaze with a 'cast iron' look and a 'griddle effect' embossment across the centre of the items.

Each flatware piece is slightly different offering endless combinations for presentation and bowls with an interlocking feature for stability and ease of service.

- Optimal food presentation on a hygienic surface
- Practical tableware solution with handcrafted look
- Creative dining flexibility to appeal to the latest gastronomic trends in food presentation
