

# Thermic Globe

*Luigi Bormioli*  
ITALY

Thermic Globe with its ergonomic shape is the perfect balance between elegance and versatility. A stackable shape which is easy to hold.

The double walled exterior makes it suitable for hot and cold drinks and keeps the drink at the optimum temperature.

Ideal for enjoying creamy coffees, fragrant teas and relaxing herbal infusions.

- Double walled borosilicate glass
- Suitable for hot & cold drinks
- No condensation on interior
- Keeps consistent temperature
- Resistant to thermal shock
- Stackable – space saving
- Microwave safe
- Dishwasher safe
