

I Meravigliosi *Luigi Bormioli* ITALY

I Meravigliosi – A super light collection of connoisseurs' wine glasses with ultra-light rims and titanium reinforced fine stems, marking them both robust and flexible.

Each glass is designed to capture the quality and intense aroma of the wine as the bowl's flat base shape creates a unique decanter effect.

- Ultraclear lead free crystal glass.
- SONhyx Titanium reinforced with an anti-abrasion treatment, increases rim strength and the stems resistance to breakage.
- Glass sparkle is maintained over 4000 industrial dishwasher cycles.
- A new Flute glass extending this very successful range to 11 glasses.
