WNK®
FIRST IN FOOD SERVICE

- Quality Stainless Steel 18/10 – Highly durable and stain resistant.
- Heavier weight cutlery – Allows for lavish design forged deep into the metal, well balanced and beautiful to hold.
- Highly polished mirror finish – High end luxury with a smooth and reflective surface.
- Extensive range of designs – Offering a complete choice for the customer.
- In house design and stylist team - Varied choice of cutlery designs and continued product development.
- Dishwasher safe – In commercial dishwashers without rusting or staining.
