

The Glitch ~~onis~~

The Glitch by Kate Gerwin the winner of the 3rd edition of the **Glassology by ONIS** Competition.

Building on the success of the Collins shape, we now introduce the Glitch DOF. More than just an extension, this is a unique piece designed to stand out from the crowd.

This unique glassware range, with its modern artful design, impacts all five senses and enhances the drinking experience.

- Unique Design
- Glassology Competition winner
- Designed by and for bartenders
- Inspired by Modernist Art
- Dishwasher safe
- Made in Europe

Kate Gerwin
Creator of the Glitch

"When I look for glassware for my own bar, I look for something that catches the eye but is still functional. Ice is also a consideration. I wanted a glass that would highlight a perfectly clear spear cube yet allows the drink to shine through."
