

Country House Glow Sea

 **BAUSCHER**
GERMANY

“Add colour and texture to side dishes with a casual, handcrafted charm that is both durable and stylish.”

Introducing Country House, a new hand-crafted look, with a fresh from the potters wheel style.

A series of concentric embossed lines on small bowls and chip mugs finished in the Glow Sea glaze makes this a hugely versatile range for all types of side orders and desserts. Importantly, the range does not compromise on durability as all pieces are extremely hard wearing and strong.

Flexible, casual shapes in the Glow Sea glaze makes it ideal to mix and match with existing collections such as Nordic and Scope to compliment the overall presentation and style of the food.
