Long Lasting Plastic Solutions

Long Lasting Plastic Solutions

Introducing the perfect alternative to glassware, high quality plastic drinkware with a crystal-clear finish for all types of venues and events, both indoor and outdoor.

Virtually unbreakable solutions of an exceptionally high quality with all the style and feel of glass. A complete collection of handpicked designs to suit a wide range of venue requirements.

The strong, shatterproof material is safer to use and will require far fewer replacements, resulting in significant long-term cost savings.

A Danish company with a committed history of delivering the best solutions in plastic drinkware, supported by a 5 year guarantee against all cracks and breakages.

Collins Stacker – Designed to stack, the Collins is a functional and cost-effective solution made from a high-quality polycarbonate which is virtually unbreakable.

100% reusable, the simple stacking design maximises the storage space, eases handling and means less scratching or marking.

Versatile sizes optimises the usage and the simple design allows the drinks to really stand out from crowd, perfect for large scale events.
