LA ROCHÈRE

1475

FRANCE

La Rochère, established in 1475, proudly stands as Europe's oldest glass factory, crafting exquisite traditional French glassware with time-honored techniques. The La Rochère Fidji Clear Glass, combines this rich legacy with a contemporary twist. Featuring a sleek, straight-sided bowl with a linear grooved design.

The Fidji - Clear glass brings a modern elegance that enhances the presentation of desserts, from ice cream to mousse.

This versatile and refined glass is ideal for upscale settings such as cafes, hotels, and restaurants, where it adds sophistication to any table setting. The Fidji - Clear glassware harmonizes La Rochère's classic craftsmanship with a fresh aesthetic, making it a distinguished choice for both traditional and modern dining experiences.
