

Paneled

LIBBEY®

The **Paneled** range from Libbey combines versatile beer service with robust, functional design. Ideal for serving everything from the perfect pint to beer tasting selections, the tasting glasses feature DuraTuff® treatment for added strength and pair perfectly with a beer paddle board. The collection also includes four stylish, heavy-based paneled beer mugs, including a lined@1pint option for precise measures.

Use the wooden **03-08-181 Tasting Paddle** and create a Beer flight for the ultimate sharing experience
